

JUDY,

Enclosed is the copy of the brief I promised to send you. It was really great talking to you, as it always is inspiring to hear your voice. I will keep you apprised of the transfer situation. And, let me know if you change addresses. Have you heard that VA has started a

Campaign to prosecute HIV people, who "knowingly" possibly transmit the disease. Russ is sending me an article. I'll get you a copy. He says ...how I wonder how you are.

It's really crazy. That 4 people, one 15yrs old has been arrested and charged with attempted murder. Another Gregory Smith situation. I might write ACE for some stories on women + AIDS. I want this to be like personal experience.

the usual statistical stuff
And, I want to use
pictures of all significant
persons working w/ AIDS
& prisons, and put either
a tag line or fact specifically
addressing HIV & prisoners.
