VOL. II NO. XI

BUFFALO BELLES

NOV. 1993

My Dear Ladies;

What a lovely meeting we had, with fifteen wonderful girls in attendance. Denise [redacted]; Denise [redacted]; Jean [redacted]; Colleen; T. P.; Linda [redacted]; Jackie [redacted] and Yvette; Joan [redacted]; Pam [redacted]; Frances [redacted]; Renee [redacted]; Tammy [redacted]; Patty [redacted]; and Holly [redacted] came to see the movie and share in the popcorn, thanks to Jean [redacted] for the entertainment. We should thank Jackie and Yvette for bring the donuts to the meeting also, the extras are in the freezer for the next meeting.

We have received a few good comments about the Newsletter, we thank you all, and give Janice a smile for the last one, she saved me many hours from picking at my key board.

A few items that were discussed at the last meeting are worthy of repeating in the newsletter for all to be aware. A brief mention of these items are-- The News story in the Niagara Falls paper brought very good results on publicity and we discovered a few new sister who took an interest to contact us. Big thank you goes out to Joan [redacted] and Janice [redacted] for informing the general public on our life style. -- Security-- I know we all get caught up in the moment of freedom, but we all should be mindful of each others security. I know of no incident (lapse in security) that has occurred to any sisters in this regard and I prefer that it remains that way. In my case, because I am receiving all sort of mail, my Mail Box has be compromised, I hope I've corrected the problem for now. The Mail person must think this Box holder is one weird lady, with all the various names and addressed on the envelopes I receive. Make up mirror-- It has been suggested to set up the make mirror in one of the rooms next to the changing room, That will free up the changing room for the late arriving girls and besides it will make putting your makeup on a lot easier. So after you change you can proceed to the next room to put that special look on. But if you wish you still can change and apply that special look in the changing room, if you don't feel comfortable crossing the hall. Some ladies just would not be caught dead with out their makeup on in public. Spaghetti Dinner-- This future event in March, had a beautiful response. I thought I was going to do all the cooking etc., but with all the volunteers I heard, we should have a lovely party. A future newsletter will have a sign up sheet for a commitment. We will extend an invitation to our Erie Sisters and the Rochester Group. The projected cost for the dinner was \$10.00, but I found out that it will cost us \$50.00 to use the kitchen, so we may have to increase the party cost to \$12.00. We'll have to determine the final cost at a future meeting, I also reserved to kitchen and rooms for the party night. That's only \$ 7.00 over our meeting fee, you can't get a better deal. I think we will have to start selling tickets, or have a sale on seats, and as you know all ladies love a sale. More about food--A few comments were made that all the snack items are just wonderful, but some of the girls would like to have something more substantial like Pizza or a Sub or whatever. Some of the girls don't get a chance to eat before coming to the meeting and are a bit finished. There is a good point here that the meeting fund should be able

At our next meeting on November 13 we are planning to have a Styles on Video session for any of the girl who would like to see what they would look like in different styles of wigs. Please return your response sheet if you are planning to try this procedure, its fun doing and seeing yourself in different wig styles. Along with the Styles on Video, we are planning to have a demonstration of a Makeover by Tony. He will also discuss options for the ladies who would like to use their own make up or professional products. He'll have to analyze your tone and skin texture and acquire the products before your scheduled session. The registration fee is \$12.00 to \$15.00/ person, six(6) people to a class. Depending on the response, dates will be determined later. If you are interested come next meeting or sent in your response sheet.

IF YOU HAVE ANY SUGGESTIONS FOR ACTIVITIES PLEASE LET US KNOW, OR FOR ANYTHING ELSE FOR THAT MATTER. Respond on your response sheet.
