

San Francisco Gender Information *Resources Database*

This database is as complete and accurate as we could make it. Naturally, resources will change. Businesses open, move, close, change and so on. We cannot guarantee the complete accuracy of this data for that reason. We would greatly appreciate it if you would notify San Francisco Gender Information of any changes in information that you encounter while using this guide. Please send information to SFGI, PO Box 423602, San Francisco, CA. **Last update: 10/7/93**

Categories are listed in alphabetic order, as are the providers under each category. The listings are laid out in this format:

NAME OF BUSINESS [*]	PHONE NUMBER
STREET OR MAILING ADDRESS	CONTACT NAME
CITY STATE ZIP	Verified: Y/N
COMMENTS AND ADDITIONAL INFORMATION	

The Y/N indicates whether a listing has been verified. Verification has usually been done by telephone. New listings brought to our attention usually receive an "N" until we have received positive feedback about that new provider. However, an "N" does not mean that a provider is not competent, nor can it be automatically assumed that a "Y" means that everyone will be pleased with that provider. The best way to determine the suitability of a provider is to talk with current or former clients/patients, or to otherwise obtain a referral. A support group local to the provider may be a good place to start. [* professional titles/certification is noted in square brackets.]

In no way should anyone assume that the listing of a provider or resource in this database constitutes recommendation or endorsement, nor should anyone assume that the exclusion of a given provider is a recommendation against them. This list was assembled from several professional resource databases*, advertisements in a few gender-concerned publications, and word-of-mouth endorsements. It is as inclusive as we could make it, yet we can always do better with your help. If you'd like to contribute feedback about any of these resources, or to suggest an addition to our list, please send us the information. (Please, no clothing or shoe stores.)

Since SF Gender Information is a non-profit, volunteer organization, any assistance you can contribute is greatly appreciated. Please include a self-addressed stamped envelope if you want a reply.

The resource categories are:

Attorneys, Books, Counsellors, Electrologists, Gynecologists, Hair, Hormones, Information, Miscellaneous/Image Consultants, Newsletters & Publications, Organizations, Programs, Psychiatrists, Support Groups, Surgeons-Cosmetic, Surgeons-Genital, Surgeons-Miscellaneous, Therapists, Voice Coaches. (Note: In the comments -HBIGDA refers to a Harry Benjamin International Gender Dysphoria Association therapist)

If you know of a provider local to the San Francisco Bay Area or Northern California that you do not see listed here and who you believe would be an asset to this listing, please send the pertinent information to San Francisco Gender Information's address which is listed on the cover page. The exceptions to this are SRS surgeons (we are interested in getting contact information for genital surgeons no matter where they are located), and clothing/shoe stores (which we do not list). Please ask them if they want to be listed before you contact us. Thank you.
