HI!

A few months ago you received a letter much like the one to follow. You may be a program presentor or a moderator or a hostess or incharge of the event. Whoever you might be please feel free to contact me if you need any assistance. If you are a hostess, I would appreciate it if you would give me a list of the events you planned to attend. If you are a presentor, moderator or incharge of an event, please let me know the number of people you may need.

As of 4/87 I have been appointed to be Staff Coordinator for the 1988 Chicago Convention. You will also see me with a camera in my hand, doing some of the photography.

A little about myself. I have been a member of the TV, CD, TS, TS, community for 16 years. In the last 3 years I've been extremely active, in the community. I am a member of Tiffany Club, on the Board of directors for IFGE. Currently President and on the Board of directors for TGIC, (formerly TVIC of Albany). I have accomplished many more things for the community. Enough about accomplishments, now to the reason for this letter.

I will be trying to set up the schedules, with your and others help, for the Hosts and Hostesses. The registration desk, the library and, any other function that may need personal to operate. I will also be coordinating with the Chicago groups to help with the planning of events, to make the convention a success. I will need all the help I can get, so if you can get back to me as quickly as possible it would be appreciated. Hope to hear from you soon.

In warm friendship and sisterhood
