**DONALD R. LAUB, M.D.**  
1515 El Camino Real, Suite B  
Palo Alto, CA 94306  
(415)327-7163

**ACADEMIC TITLE:**

Clinical Associate Professor of Surgery (Plastic)  
Stanford University Medical School

**BOARD CERTIFICATIONS:**

Diplomat, American Board of Surgery, 1971  
Diplomat, American Board of Plastic Surgery, 1970 (2nd highest score)  
Recertification, American Board of Plastic Surgery, 1978

**EDUCATION AND ACADEMIC BACKGROUND:**

Diploma: Marquette University College Preparatory High School, 1949-1953  
B.A.: Marquette University, Liberal Arts College, 1953-1956, Pre-Medical  
Curriculum (Science & Humanities)  
M.D.: Marquette Medical School (now Medical College of Wisconsin) 1956-1960

**POST DOCTORAL TRAINING:**

Intern in the surgical discipline, Yale-New Haven Hospital, Grace Community Hospital  
New Haven, Connecticut 1960-1961  
Assistant Resident in Surgery, Yale-New Haven Hospital 1961-1963  
Research & Clinical Fellow in Rehabilitation Surgery and Renal Transplantation, Stanford  
University Hospital - Stanford, California 1963-1964  
Research Professor - Ray Cohn, M.D.  
Clinical Professor - Robert A. Chase, M.D.  
Resident in Surgery, Stanford University Hospital - Stanford, California 1964-1965  
Senior Resident in Surgery, Stanford University Hospitals - Stanford, California 1965-1966

**ACADEMIC AND PROFESSIONAL EXPERIENCE:**

Chief Resident and Acting Instructor in Surgery, (Plastic & Reconstructive)  
Stanford University Hospital & Medical School - Stanford, California 1966-1967  
**Chief of Plastic & Reconstructive Surgery, Assistant Professor of Surgery, Stanford  
University Hospital & Medical School, Stanford, California 1967-1979**  
Chief of Plastic Surgery, Chope Community Hospital, San Mateo, California 1967-1989  
Chief of Plastic Surgery, Santa Clara Valley Medical Center, San Jose, California 1967-1976  
Chief of Plastic Surgery, Veterans Administration Hospital, Palo Alto, California 1967-1989  
Chief of Emergency Room & Mass Casualty Program, Stanford University Medical Center,  
1968-1971.  
Plastic & Reconstructive Surgeon, Palo Alto Medical Clinic 1979-1980  
**Clinical Associate Professor of Plastic Surgery, Stanford University Medical Center,  
1980-Present**  
Clinical Practice: Palo Alto Center for Plastic Surgery, 1980-1990  
Plastic Surgery Center of Palo Alto, 1990-Present

**FOUNDER:**

Interplast, Inc. (International plastic surgery charitable and teaching organization)  
 Physicians Assistant Program, (Primary Care Associate), Stanford University  
 Burn Unit, Santa Clara Valley Medical Center  
 Gender Dysphoria Program of Palo Alto, Inc. (Non-profit public interest company)  
 Guatemala Medical Promotorio village health worker training, program of Project Concern.

**CO-FOUNDER:**

Combined Residency Program in General Surgery & Plastic Surgery, Stanford University (with Dr. R. Chase)  
 Founding Partner, Palo Alto Center for Plastic Surgery, 1980-1990 (with Dr. M. Rafaty, & Dr. J. Weber, Jr.)  
 Founding Partner, Plastic Surgery Center of Palo Alto, 1990-Present (with Dr. E. Kaplan, Dr. G. Commons, & W. Utzinger)

**DEVELOPMENTS:****Surgical Operations:**

Metoidioplasty  
 Neocolporaphy

**Programs:**

National in-service examination for Plastic Surgery Educational Foundation

**CO-DEVELOPER:****Programs:**

Idaho Regional Medical Program for General Practitioners (Plastic Surgery, Orthopedics, General Surgery, Gynecology, Hand Surgery)

**Surgical Operations:**

Postmodern Phalloplasty (with Dr. R.V. Hentz)  
 Aesthetic Mastectomy (with Dr. G.S. Lebovic)

**Device for Surgery:**

The inflatable penile prosthesis (with Dr. Berisch Strauch & Dr. Werner Shulz)

**IN DEVELOPMENT AND PRESENT ACTIVITIES:****Surgical Operations:**

Jelks-Massih Cantho-blepharoplasty  
 Obagi Chemical Face Peel for Plastic Surgeons (with Dr. Z. Obagi & Dr. J. Johnson)  
 Superficial External Pudendal Artery Fascio Cutaneous Flap for Enlargement of the Penis - with Dr. David William Foerster

**Organizational:**

Interplast International (Umbrella organization for all Interplast provider organizations)  
 Gender Dysphoria Program, Inc. Board of Directors

**Clinical Activities:**

Bay Area Breast Center (Developed by Dr. G.S. Lebovic)

**HOSPITAL STAFF MEMBERSHIPS:**

Active Staff Surgeon, Stanford University Hospital, Stanford, California 1966-Present  
 Consultant, Santa Clara Valley Medical Center, San Jose, California 1967-1976  
 Courtesy Staff Surgeon, El Camino Hospital, Mountain View, California 1969-Present  
 Active Staff Surgeon, Sequoia Hospital, Redwood City, California 1970-Present  
 Active Staff Surgeon, Lucille Packard's Children Hospital, Stanford, California 1971-Present  
 Veterans Administration Hospital, Palo Alto, California 1967-Present  
 Active Staff Surgeon, Recovery Inn of Menlo Park, Menlo Park, California 1993-Present  
 Consultant, Valley Medical Center, Fresno, California 1969-1973  
 Courtesy Staff Surgeon, Kaiser Permanente Hospital, Santa Clara, California 1970-1984  
 Active Staff Surgeon, Surgicenter of Palo Alto, Palo Alto, California 1976-Present

**VISITING PROFESSORSHIPS:**

University of Wisconsin  
 Medical College of Wisconsin  
 Eastern Virginia Medical School

**RESIDENCY REVIEW COMMITTEE:**

Inspector of programs:  
 Baylor Medical School; Houston, Texas  
 South Western Medical School; Dallas, Texas

**MILITARY SERVICE:**

Captain, United States Army Reserve, 6253rd U.S. Army Reserve Hospital  
 Presidio of San Francisco, California 1961-1970

**ACADEMIC HONORS OR ACHIEVEMENTS:**

President of the Class, St. Robert's School (Primary or grade school) 1949  
 Treasurer of the Class, Marquette High School 1953  
 3rd Highest G.P.A., Marquette High School  
 President of the Class, Marquette University Medical School 1960  
 Alpha Omega Alpha, National Honorary Medical Society (Election in junior year)  
 Alpha Sigma Nu, National Honorary Medical Society  
 Honors in Clinical Rotations in Medical School; Surgery and Obstetrics, and Gynecology.  
 Prize, Lakeside Laboratories for Graduate Research, Marquette University Medical School  
 Samuel C. Harvey Memorial Award for Outstanding Intern, Yale-New Haven Medical Center

**MEDICAL LICENSES:**

State of Arizona	1973-1979
State of California	1963
State of Connecticut	1962
State of Idaho	1972-1975
State of Kentucky	1972-1979
State of New Mexico	1972-1979
State of Oregon	1972-1979
State of Tennessee	1972-1979
State of Texas	1972-1979
State of Wisconsin	1960-1974

**PROFESSIONAL SOCIETIES:**

Alpha Kappa Kappa  
 American Association of Plastic Surgeons  
 Fellow of American College of Surgeons  
 American Medical Society  
 American Society of Plastic and Reconstructive Surgeons  
 California Society of Plastic Surgeons  
 Educational Foundation of the American Society of Plastic and Reconstructive Surgeons, Inc.  
   - Chairman, Senior Residents Conference, 1975  
   - Chairman and Organizer, Self-Assessment and In-Service Training Examination, 1974-1977  
   - Member, International Programs Committee  
   - Member, Marketing Committee for Educational Materials, 1977  
   - Member, Clinical Symposia Committee, 1980  
   - Chairman, Management by Objectives, 1980  
   - Member, Past Presidents Committee  
   - Chairman, Academic Placement Committee 1978-1982  
 International Burn Association, 1971-1977  
 Association for Academic Surgery 1971-1978  
 Plastic Surgery Educational Foundation  
 San Mateo County Medical Society  
 Santa Clara County Medical Society  
 Harry Benjamin International Gender Dysphoria Association  
 American Society of Genitourinary Reconstructive Surgeons

**PROFESSIONAL POSITIONS OF HONOR AND/OR SERVICE:**

Member, Board of Directors - Project Concern, Inc. 1971-1978  
 Founder & Chief of Professional Services, Interplast, Inc. 1979-Present  
 President, Interplast, Inc. International Plastic Surgery Humanitarian & Teaching Organization, 1973-1979  
 Advisory Board of Directors, Project Piantta 1975-Present  
 Board of Trustees, American Association of Plastic Surgeons, 1976-1979  
 President, Educational Foundation, American Society of Plastic & Reconstructive Surgeons, Inc. 1980-1981  
 Member of Board of Directors, American Association of Plastic Surgeons, 1974-1980  
 Founder and President, The Gender Dysphoria Program, Inc. 1980-Present  
 Honorary Award Rosacruicjan Society 1980  
 President, Harry Benjamin International Gender Dysphoria Association, Inc. 1981-1983  
 Presidents Award for Special Service, Educational Foundation for Plastic Surgery from President Simon Fredericks 1981  
 Award of Honor, President of Honduras Policarpo Paz 1984  
 Advisory Board of Directors, Stanford Dance Applause 1984-1989  
 Amigo Distinguido Award, San Diego/Tijuana Service Organization 1985  
 Award from President Ronald Reagan at the White House, Washington, D.C. "Private Sector Initiatives" on behalf of Interplast, Inc. June 1986  
 Medal of Merit, Received from President of Ecuador, Leon Fabres Cordero, Presidential Palace, Quito, Ecuador December 1987  
 Medal of Honor, Received from City of San Pedro Sula, Honduras, Central America 1988

**PROFESSIONAL POSITIONS OF HONOR AND/OR SERVICE, CONT'D.**

Advisory Board of Directors, Project Concern, Inc. 1991-Present

Award for Foreign Service from President of California Society of Plastic Surgeons (Dr. H. Tolleth) 1991

Vice Chairman Department of Surgery - Recovery Inn of Menlo Park, 1994 - Present

**HONORARY CITIZENSHIP AWARDS:**

Tacna, Peru

Arequipa, Peru

San Pedro Sula, Honduras

Cuenca, Ecuador

**FEATURED IN ARTICLES OR PROGRAMS:**

"Images: Flying Surgeons", Sunday Supplement Magazine, San Francisco Chronicle 1986

"High Touch, High Tech," Stanford University Alumni Magazine (Interplast Program) 1986

National Television Program, CBS, "Heroes Made In America", (Interplast Program) January-March 1987

Reader's Digest Article (Interplast Program) July 1987

"When the Body Lies," New Yorker Magazine (by Amy Bloom) Page 38 - July 18, 1994

Interplast Program (Not D. Laub himself featured)

National Geographic Television

60 Minutes

"Interplast - Medical Outreach to the World's Disadvantaged." Marquette University Alumni Magazine (by Kate Rostenkowski Wackerly) Page 3 - Journ. 1970

**START-UP PERSON FOR INTERPLAST PROJECTS:**

Mexicali, Mexico

Mazatlan, Mexico

Culiacan, Mexico

San Pedro Sula, Honduras

La Ceiba, Honduras

Bilwaskarma, Nicaragua

Cuenca, Ecuador

Portoviejo, Ecuador

Esmeraldas, Ecuador

Guayquil, Ecuador

Arequipa, Peru

Tacna, Peru

Iquitos, Peru

Montego Bay, Jamaica

**CO-START UP PERSON FOR INTERPLAST PROJECTS:**

Lesotho, Africa (with Terry Knapp)

Samoa (with Lars Vistnes)

Antigua, Guatemala (with Ernest Kaplan & Lars Vistnes)

Temuco, Chile (with Paul Daines)

**CO-START UP PERSON FOR INDEPENDANT INTERPLAST CORPORATIONS:**

Germany (with Dr. Lemperle)

Australia (with Dr. Miller & Keith Walter)

**ORGANIZATIONAL HOST FOR MEETINGS:**

- Plastic Surgery Educational Foundation Symposium, Hand Surgery 1964
- Harry Benjamin International Gender Dysphoria Association, 5-6 Biennial Symposium at Stanford University 1973 & 1975.
- Plastic Surgery Educational Foundation, Board of Directors 1980
- Project Concern, Board of Directors at University of Wisconsin 1974
- International Confederation of Interplast, with 18 countries at Stanford University 1991
- Co-Chairman International Symposium for Gender Dysphoria with 13 countries in New York City 1993 (with Leah Schaeffer)

**TRIPS FOR HUMANITARIAN PLASTIC SURGERY - CARE & TEACHING:**

Approximately 120 trips:

Mexicali, Mexico	30
Navojoa, Mexico	7
Mazatlan, Mexico	5
San Pedro Sula, Honduras	25
La Ceiba, Honduras	6
Bilwaskarma, Nicaragua	3
Antigua, Guatemala	3
Cuenca, Ecuador	6
Porto Viejo, Ecuador	4
Esmcraldas, Ecuador	1
Guayquil, Ecuador	3
Arequipa, Peru	6
Tacna, Peru	4
Iquitos, Peru	2
Damascus, Syria	1
Bagdad, Iraq	1
Jamaica	3

**ORGANIZATIONAL TRIPS FOR INTERPLAST:**

Turkey	3
Australia	1
Germany	5
Italy	1
West Virginia	1

**LECTURES:**

Delivered over 30 times each:

- Interplast
- Surgery for gender dysphoria
- Body Image surgery
- Chemical face peel

Present lectures, delivered at least 10 times each:

- Aesthetic mastectomy
- Non-factual factors involved in American Board of Plastic Surgery Exam.

**COMMITTEES:**

- International Service Committee
- Relationship with other interdisciplinary international societies (Harry Benjamin Gender Dysphoria Association, Inc.)
- Foundation of the International Confederation for Plastic, Reconstructive, and Aesthetic Surgery.

**MENTORS:**

Ella D. & Rudolph A. Laub, Parents  
George S. Brown, Retired businessman, Shorewood, WI  
George Donnersberger, Grandfather & President of Streator Rail Car Mfg. Co., Chicago, IL  
Robert Harris, M.D., General surgeon, Clinical professor at Marquette Medical School  
William Frackleton, M.D., Plastic & Hand Surgeon at Marquette Medical School  
William Engstrom, M.D., Professor of Medicine at Marquette Medical School  
Edwin Ellison, M.D., Professor of Surgery (General) at Marquette Medical School  
Judy McCotter Laub, Wife and Codirector  
Robert Chase, M.D., Assistant Professor of Plastic Surgery at Yale University & Professor & Chief of Surgery at Stanford University.  
Mark Hayes, M.D., Yale University Department of Surgery.  
Roy Cohn, M.D., Professor of Surgery (General) at Stanford University  
Milton Edgerton, M.D., Professor of Surgery at Johns Hopkins University (Plastic)  
Gail Lebovic, M.D., Stanford University Hospital

**CONCEPTUAL AND DEVELOPMENTAL SHORTFALLS:**

Rehabilitation Surgery as a new surgical specialty.  
YF879 - A shipyard freighter, as training site for medical corps and seamanship to bring plastic surgery to developing countries on west coast of Central and Southern America.  
DC-3 - An airplane to bring reconstructive surgery teams to Mexico and Central America. This program was successful, but not continuing.  
Microsurgery lab & limb replantation service at Stanford University Medical School 1968-1969  
Shriners Hospital at Stanford for burns serving "Pacific Rim" 1970  
Prisoner Rehabilitation via the Body Image Change of Plastic Surgery, Elmwood Rehabilitation Center & Duell Vocational Institute 1971-1973  
Interdisciplinary Breast Service, Stanford University Medical Center 1976-1979

**Research Projects:**

Regeneration of CNS lesions by externalizing to CSF environment.
