Pimblett's a Pip

As always, our evening at Pimblett's restaurant, 263 Gerrard St. E., was a huge success. Our comfy "home away from home," saw 25-30 Xpressions gals turn out to wine, dine, and socialize.

We all first met in the bar and said our hellos while quaffing wine or beer, though I did see one adventurous sister with a Singapore sling. About 8-ish we made our way to the dining room where we settled down and eventually ordered. Food rescued the bevy of beauties not long after. Between courses there was lots of table hopping and yakking. It was grand to see so many familiar faces, as well as the newbies who ventured out to join us for the first time.

Welcome, one and all!

August Adventure

You may not be aware of it, but we have many members who live outside of the greater Toronto area. Gals come from Kingston, Belleville, Barrie, Oshawa, and numerous other out-of-town locales to attend Xpressions dinners. Now it's your turn unless of course, you live in Hamilton.

That's because the August dinner on Saturday night the 31st is taking place in Fran's, in the Howard Johnson Hotel in downtown Hamilton. That means 31st it will be a real adventure. This should be a fun night, and something different. Remember, you can always come drab if you can't dress.
