

AWARDS BALLOT 1983

Each year the Tiffany Club takes the time to acknowledge those members and friends who have made an outstanding contribution to the Tiffany Club. The acknowledgements come in the form of 'letters of appreciation,' 'outstanding contribution awards', and five formal awards that remain on permanent display at the Tiffany Club.

Of the five major awards, two ('Miss Tiffany,, and 'The Friendship Award') are voted on by the membership, two ('Most Helpful', and 'First Year') are presented by the Board of Directors, and one ('The Secretary's Award') is presented by the executive Secretary.

The recipients of these awards will be announced and receive their awards at the Tiffany Club's annual Awards Banquet.

The criterion for these awards are:

MISS TIFFANY: Miss Tiffany is our 'beauty' award. This award is presented to the person chosen by the membership not only on the basis of her appearance, but her grace, her aura of pride and dignity, and ladylike demeanor.

FRIENDSHIP AWARD: The Friendship Award is our 'popularity' award. This award is presented to the person chosen by the membership on the basis of her personal warmth and charm, her outgoing personality, and ability to socialize and help people enjoy themselves.

DIRECTORS' MOST HELPFUL AWARD: The Directors' Award is our 'most helpful' award. This award is presented to the person chosen by the Board of Directors on the basis of her outstanding reliability, her contribution of time and effort, and willingness to help when her help was needed.

(***The recommendations of the membership are taken under advisement.)

FIRST YEAR AWARD: The First Year Award is our 'coming out' award. This award is presented by the Board of Directors to the person who has demonstrated the most amount of growth (in skill, confidence, and emotional maturity) in her first year as a member of Tiffany.

(***The recommendations of the membership are taken under advisement.)
