Dear Alice,

Dreadfully sorry to hear about your marriage. I hope that the children will survive the turmoil. They always seem to get the worse part in a divorce like this. Hope all will turn out o.k.

I have been thinking about your remark in your last letter as regards to making me RO. for the Beaumont in S. Africa. Well if it is ok with your ec, it is ok with me. We of the Phoenix gratefully accept the affiliation you have so kindly offered us. Thank you.

Included is your copy of the first issue of the Phoenix Fanfare. Also your membership card for hon life membership which i hope you will accept. Please do not laugh at our first attempt at producing a magazine. We can only improve as time goes by. So please be patient and i will accept gratefully any contributions, articles you may wish to write for publications in our mag.

Thanks for the offer of financial assistance, but at present there is no need for you to worry about that part of things. We are still coping. If and when we get more members, things will improve financially. Then i will be able to reclaim from the Phoenix.

The membership list on the last page of the mag is allready out of date. A lot more ha ve since joined. So not to worry we are growing. At the time of this writing our membership is 17. Some may think that that is rather insignificant, but i feel we have dane well for a 4 month period. Please note only myself and Michelle are beaumont members. I ha ve heard from Terry Orsmond aswell and i think she will join soon. Seemed very excited in the letter i received from her.

As regards the Simbabwe members. As far as i am conserned they can take membership either with us or the Beaumont. I have written to some of them and offered membership but it would seem that they feel the distance is too great for them to get any benefit from the Phoenix. Oh well, it is their own desition.

O.k that is all for now and you may ofcourse print or use any material from our magazine.Keep well and stay in touch.

Estelle.

P.S. Please get somebody to correct the spelling mistake in the adress of our society in the Beaumont Bulletin. Also my membership number is SI729.

Thanks.
