Scott,

Please forgive my delay. I faxed you both the letter of support and my edited version of our letter to Warden Olivares. Let me know if it meets your approval. I forgot which phone # you wanted to use on the letter -- hence the blank. When I receive your okay, I will begin to email to whoever is on my list. I have already received a tentative "no" from Jill at the transgender magazine TNT that I told you about. She apparently doesn't want to turn Warden Olivares off (as if she were ever on!) Oh well.

Call or email or whatever you want to do to give me the go ahead. Even if the letter is not in perfect final form, it seems that we can now distribute broadly. We should make it clear that the letter is "draft" only and open to edits and changes.

Take care.

Judy

P.S. if there was any problem with the faxes, let me know and I will send again.
