

PHOTOGRAPHY POLICY  
FOR FANTASIA FAIR 1981

1. A photo release is included in your information package, and is also available from the Registrar. This release applies to photos taken by the official Fan/Fair photographer only. In order to use your photos in such things as the Fan/Fair album, we must have your permission. Please sign the release, and return it to the Registrar as soon as possible.
2. We have arranged to have a professional photographer to cover all aspects of the Fair. From the wide array of photos taken, we will choose a representative selection for inclusion in the 1981 edition of the Fan/Fair album.
3. In addition there will be opportunity for participants to have portrait photos done, for their personal use. Sittings for this service are by appointment only and will cost between \$35 and \$70. Please see the Registrar to make specific appointments and payments.
4. In order to protect Fan/Fair participants against the misuse of photos, the following policy and guidelines has been established:
  - . Participants: Participants of Fantasia Fair 1981 may carry cameras and, for their own purposes, photograph Fan/Fair activities, including other participants, provided that all persons being photographed have no objection. Sound movie cameras are prohibited.
  - . Outsiders and Guests: No person, other than a participant, employee or agent of Fan/Fair may carry cameras or photograph Fan/Fair activities without the express written permission of the Fan/Fair Steering Committee. No outsider or guest may make sound recordings of Fan/Fair activities without express written permission of the Fan/Fair Steering Committee.
  - . Media: Members of the news media must follow the same procedures as outsiders. News reporters must obtain written permission from the Fan/Fair Steering Committee before attending functions or photographing participants or activities. In addition, members of the news media must obtain a written release from any and all participants photographed. This paragraph shall also apply to participants acting as agents or reporters for the media or proprietary publications.
5. These regulations are a suggested guide, and we hope that all persons will do their best to prevent incidents concerning unwanted photography.

Please report any violations of the above to a staff member as soon as you notice the violation.

Please feel free to ask that any person refrain from taking your photograph if you do not wish to have it taken.

Feel free to question any person who does not look like a Fan/Fair participant who is carrying a camera and taking pictures.

Please consult the Fan/Fair staff before you send any photographs of Fan/Fair activities to any person or publication that may publish or reproduce them.

The Fan/Fair Steering Committee reserves the right to prohibit any person from carrying a camera or taking photographs or making sound recordings.
